Finishes

Matt Laminate/ Gloss Laminate

Also known as celloglazing. The Matt version is a smooth, satin like finish applied to the top of the card. With the Gloss laminate giving a photo like glossy finish.

NL - Not laminated

This finish is just the smooth semi-gloss artboard. It's a smooth coated board that can be written on with pen.

All prices include GST and Delivery (Australia Wide). Artwork is not included. Prices are based on you supplying us with print ready artwork. We like PDFs. Or we can create the design for you, small extra cost. See our website for details on supplying files.
